Compass Consultants, Inc. Expands CAD/Drafting Team

(Perham, MN, Compass Consultants, Inc. February 14, 2011) – Compass Consultants, Inc. is continuing has added five CAD professionals to its CAD/Drafting department since the first of the year.

Dan Skinner joined the Compass team at the end of 2010 as the drafting supervisor. Since that time he has been joined by four additional CAD drafters, including Jon Erickson, John Gildersleeve, Diane Oien and Amber Abraham.

“Compass Consultants has experienced a tremendous amount of growth over the last six months,” said David Schornack, CEO of Compass Consultants. “And, as our business continues to grow, we’re committed to continue to add the best people to our team to ensure our clients continue to receive the industry-leading service that we’re known for.”

He continued, “In addition to growing the CAD team, we’ve also added an operations manager and 11 other professionals to the team in the past 6 weeks.”

Compass Consultants, Inc. has been a leading provider of consulting and engineering services to the telecommunications industry for more than 50 years. The company defines customized solutions for the design, engineering and implementation of complex telecommunications projects; and works with independent telephone companies, competitive local exchange carriers, cable television operators, Internet service providers and regional transport companies throughout the United States.
