Ken Budd, MPM Joins Compass Consultants, Inc. as Operations Manager

(Perham, MN, Compass Consultants, Inc. February 14, 2011) – Ken Budd, of Fargo today joined Compass Consultants, Inc. as its new operations manager.

In his role as operations manager, Budd will oversee day-to-day operations of the rapidly growing Perham, Minnesota communications engineering firm.

“Ken comes to us with a tremendous amount of experience in the telecommunications industry, said David Schornack, CEO of Compass Consultants. “His project management, engineering and operational management expertise will be a driving force behind the unprecedented growth that Compass is currently experiencing.”

Since the end of last year, Compass has added more than 20 professionals to its team including CAD drafters, supervisors, and engineering technicians that are based in key locations throughout Minnesota in support of a major broadband build out.

Budd is a professional project manager and comes to Compass from V3 Technologies, LLC.

Compass Consultants, Inc. is a leading provider of consulting and engineering services to the telecommunications industry. The company defines customized solutions for the design, engineering and implementation of complex telecommunications projects; and works with independent telephone companies, competitive local exchange carriers, cable television operators, Internet service providers and regional transport companies throughout the United States.
